The Examination Fee:

A donation of HK\$500* per dog is needed for the Dr Dog examination. Your contribution will directly enable us to expand our education initiatives, raise awareness and restore respect for all animals, under the umbrella of our 'Friends....or Food?' Campaign.

*While all dogs are special, Animals Asia welcomes mixed-breed / mongrel dogs to join the programme for free. In Asia, where dogs are often designated as 'friends' or 'food', it is increasingly important to send a strong message that mixed-breed / mongrel dogs are just as valuable as pedigrees, and that every single dog – pedigree or stray – is a potential helper, healer and best friend.

I would like to register my dog for the Dr Dog Examination: **\$500 HKD**

And I would also like to make a donation to 'Friends....or Food' of: HKD
